Visual Dose: Adults – one tablet daily or as directed by a physician.

Keep out of reach of children.

Precautions: Folic Acid in doses above 0.1 mg daily may obscure pernicious anemia as hematologic remission can occur while neurological manifestations remain progressive.

This product contains FD&C Yellow # 5 (tartrazine) which may cause allergic-type reactions (including bronchial asthma) in certain susceptible persons. Although the overall incidence of FD&C Yellow # 5 (tartrazine) sensitivity in the general population is low, it is frequently seen in patients who also have aspirin hypersensitivity.
